LEADERSHIP PROGRAM: HOW DOES IT WORK

- The Leadership Ranks are generated and updated each month
- The Business Volume (BV) represents the total sum of the left and right leg in your **Personal Organization**
- In order to achieve a good rank you need to develop and build a **balanced organization**, both in your left and right leg

• In order to achieve the next rank you need to develop both sides of your organization, meaning that you need to duplicate your sales, since the **Matching Bonus** potential gives advantage to those members, who expand their personal organization. To achieve higher ranks, you will also need to develop a number of new leaders in your structure as described in the Recognition Reward Table

Please, refer to the **Recognition Reward Table** for detailed information regarding Qualifications and Terms

LEADERSHIP PROGRAM: WHAT CAN I ACHIEVE

- Leadership Ranks are achieved based on qualifications described in the Recognition Reward Table
- Equal start all start with the lowest rank, Sapphire, and aim to achieve the highest one Crown Diamond

• Equal opportunity - to participate in the Leadership Program, you have to be Matching Bonus qualified. The Matching Bonus is a powerful tool, part of your overall bonus strategy that will help you grow your team and make you successful

LEADERSHIP PROGRAM: FAQ

<u>Q</u>: What is a Leadership rank?

A: Leadership ranks measure your success at OneCoin. Ranks are calculated according to the business volume (BV) generated within the personal organization of each member.

<u>Q: What is personal organization?</u>

A: A personal organization consists of the members you have sponsored, those they have sponsored and so on, down to the bottom of the tree.

Example for reaching Ruby rank:

<u>Weaker Leg Volume</u> - Member A has sponsored 2 members (Members B and C) and has put them in the weaker leg of his tree. Those 2 members have acquired Tycoon packages 2*€5.000=€10.000. This leads to Member A having a Weaker Leg Volume of €10.000.

<u>Qualifying Total Volume</u> – Members B and C have sponsored another 6 members, who have acquired Tycoon package of 6*€5.000=€30.000. This takes the Qualifying Total Volume to a total of €40.000.

<u>Oualification Pin Level</u> – Members B and C have already reached the Sapphire ranking on the previous step.

<u>Q: What is personal sponsored?</u>

A: Personal sponsored means that you have personally invited and sold an education pack to a member. This new member now belongs to your personal organization.

<u>Q: How often do the ranks get updated?</u>

A: The leadership ranks get updated every last day of the month. So all accumulated volume and ranks count for the monthly qualification of new leadership ranks.

<u>Q: How do I receive my award?</u>

A: You can collect your award from one of our offices in China (Hong Kong), Vietnam (Ho Chi Minh City),

LEADERSHIP PROGRAM: FAQ

Bulgaria (Sofia) or UAE (Dubai). We do not send awards by post.

<u>Q</u>: When is the Leadership rank calculated?

A: The leadership ranks are evaluated in the beginning of the next month and updated until the 10th. You need to check your account and claim your Leadership rank award until 20th of each month.

<u>Example:</u> You have covered the leadership qualifications for Black Diamond in June for the period from the 1st until the 30th of June. Your new rank, Black Diamond becomes visible on your Dashboard until July 10th, after we have evaluated your results for June.

You need to claim your Black Diamond award until July 20th. You can pick it up in one of our offices in Hong Kong, Dubai, Sofia or Vietnam. If not, you will receive 80% of its value in your cash account. We do not send awards by post.

<u>Q: What happens if I forget to collect my award in time?</u>

A: If you do not claim your award in time, you will automatically receive 80% of its value in your cash account. Note that there is a cash refund only for Ruby and Emerald ranks

<u>Q: How do I move from one Leadership rank level to the next?</u>

A: You need to fulfill the qualifications for the level you wish to achieve

Example: You have recently achieved Emerald Leadership rank and your goal is to move to Blue Diamond. You do not need to become Diamond if you fulfill the qualifications listed in the Recognition Reward Table for Blue Diamond next. It's as simple as that!
